Delegation of Power of Delegation of Power of Director (Finance), Director (Mining) and Director (Operations)	
I	Remarks for Works / Mines Contracts "Works/Mines" contract will cover any activity, sufficient in itself to fulfil an economic or technical function, involving construction, fabrication, repair, overhaul, renovation, decoration, installation, erection, excavation, dredging, and so on, which make use of a combination of one or more of engineering design, architectural design, material and technology, labour / manpower, Security, machinery and equipment. Supply of some materials or certain services may be incidental or consequential to and part of such contract. The term "Works/Mines" contract will include: (i) Civil works for the purposes of roads, railway, airports, shipping-ports, bridges, buildings, irrigation systems, water supply, sewerage facilities, dams, tunnels and earthworks; and so on, (ii) Mechanical and electrical works involving fabrication, installation, erection, repair and maintenance of a mechanical or electrical nature relating to machinery and plants and (iii) Services like hiring contracts, transportation contracts, engagement of travel agency, technical support services, renewal of license (including software) etc. <i>Note- Labour / Manpower contract will include contract for engagement of skilled, semi-skilled, unskilled mandays etc.</i>
II	(i) Except the items where specifically prescribed otherwise, the delegated powers shall be exercised with concurrence of the Finance Department in Corporate Office for all matters having financial bearing exceeding Rs. 20,000/- (Rupees twenty thousand only) in each case. (ii) Further, all powers shall be exercised within the approved budget limits wherever applicable. (iii) All powers shall be exercised within the relevant provisions of Acts/Laws/Rules of the Country/State and the Policies/Procedures prevalent in the Company and within the frame work/guidelines/direction of CMD/ Board. (iv) The canons of financial propriety have to be followed by all the Officials while approving/ concurring the Delegation of Power. (v) Capital expenditure includes purchase of fixed assets that will be used / will give benefit to the Company for more than one year (say purchase of vehicle, plant and machinery for business etc). The cost of an item of Property, Plant & Equipment will also include costs directly related to bringing the asset to the condition & location where it can operate as intended. Revenue expenditures are referred to as ongoing operating expenses for business purpose & the benefit of which expires within one year. (vi) If single offer is received or a single offer is found to be technically suitable against Open Tender Enquiry or Limited Tender Enquiry, such tender is also to be treated as a case of Single Tender (refer cl. no. 5.3.11 purchase manual). (vii) In an NIT wherein a number of items are proposed to be purchased which can be splitted, the NIT should clearly state by way of a clause under " Evaluation of Tender" that any Bidder can quote for a single item / multiple items and that evaluation of the tender will be done on L1 basis line item wise.
