Press Release

Joint Venture Agreement Signed between Hindustan Copper and Chhattisgarh Mineral Development Corp. Ltd.

Caption: Shri K.D.Diwan, Chairman cum Managing Director, Hindustan Copper Ltd. and Ms Reena Kangale, IAS, Managing Director, CMDC Ltd. exchanging the documents after signing the Joint Venture Agreement

Hindustan Copper Limited, a Miniratna Category-I Company under the administrative control of the Ministry of Mines, Govt. of India, has signed a Joint Venture Agreement with Chhattisgarh Mineral Development Corp. Ltd., PSE of State Government of Chhattisgarh on 30.08.2016.

The Joint Venture Company formed will undertake Exploration and Mining of Copper ore in Chhattisgarh State. The JV agreement was signed by Shri K.D.Diwan, Chairman cum Managing Director on behalf of Hindustan Copper Ltd. and Ms Reena Kangale, IAS, Managing Director, of behalf of CMDC Ltd. In the JV Company, Equity shareholding of HCL is 74% and CMDC is 26%.

Shri Shiv Ratan Sharma, Chairman, CMDC Ltd. and Shri Subodh Singh, IAS, Secretary Mining and Mineral Resource spoke during the signing ceremony.

The signing of Joint Venture Agreement was witnessed by Senior Officers of Hindustan Copper and CMDC Ltd that included Shri S.K.Bhattacharya, Director (Mining) and Shri O.N.Tiwari, Executive Director, Malanjkhand Copper Project.

It is noteworthy that HCL having 50 years of expertise in the field of exploration and production of Copper ore together with refining, smelting, and production of Copper Cathode and other saleable products and the infrastructure and expertise of CMDC in commerce & marketing of mineral resources can give great result in the area of exploration of Copper in the state by working jointly. This will also strengthen the raw material security for the nation; an important responsibility entrusted to HCL by the Government of India.

Also, CMDC Ltd is engaged in mining of major minerals since inception of the State. With this initiative, HCL will extend its operations footprint in the State of Chhattisgarh as well.
